23 March 2022

Dear Parents/Carers

Leavesden Clubs – Summer 2022

We are delighted to be able to facilitate an extensive variety of after school activities for the children.

Next term we will be moving to new system for club booking. The demand for clubs is ever growing and we are moving to a process that other schools operate.

Booking for the clubs will now be now via the providers. Please look out for emails next week which will give you instructions on how to book. We will be offering a similar range of clubs to this term – Football, Dance, Gym, Art, Multisport and Choir.

Please note the same booking conditions apply, payment must be up front to the provider to secure the club and there will be no refunds for clubs missed unless the provider cancels.

If you have financial circumstances which make it difficult to pay for a club for your child, please contact the office before the 25th March.

Clubs start during the week commencing 25 April and finish week ending Friday 8 July.

For indoor PE clubs, school PE kit is suitable. For outdoor clubs, any kit is fine – but make sure to provide warm clothing and plenty of layers. For football shin pads are compulsory and football boots are preferable, although trainers with a good grip may do.

Thank you for your continued support.

Yours sincerely

V Lyon
