Wish for the World

Christmas is a time for families to spend time with one another and create special memories that are retold for years to come. In Assembly this week, we learnt that Babouska spent so much time cleaning and cooking and being busy that she missed the important things in life. This Christmas, work as a family to achieve all of your jobs so the whole family can enjoy time together.

We also made wishes for the world.

What would your family wish for the world this Christmas?
