Sports Day

Sports day is on **Wednesday 3rd July**. Please come along and cheer on the children as they complete a range of sporting activities and finish off with their running races. You are invited to join us for a picnic on the field after the races are completed. You can either order a school packed lunch using the form that has been sent home, or bring in a picnic from home. Please take these to the field, rather than giving them to your children to bring in, as we will not be able to go back to the classroom to collect them.

If we are lucky enough to have nice weather please apply sunscreen before school and don't forget your hats and water bottles! Could all children please bring their trainers back into school if they are not already in their PE bags.

This Week

We have continued our learning based around What the Ladybird Heard. We made our own version of the book and tried really hard to write the sounds we could hear in the animals names. We also painted some amazing pictures of all of the different animals. In Phonics we have been sounding out and blending words using our 'robot arms'. Ask your child to demonstrate-can they say the sounds in c-a-t and then say the whole word?

Next week

We are hoping to be able to spend lots of time outside next week after a couple of rainy weeks! We will be learning all of the different skills we will be demonstrating on our Sports Day. Our book for the next two weeks will be A Squash and a Squeeze.
