24.01.20

This week

We have enjoyed our final week learning about castles, knights and dragons.

We can't wait for you see all of the amazing things that we have created in next week's art gallery!

We enjoyed decorating our own dragons and having a go at labelling the different body parts. We used lots of interesting words like 'claws', 'horns' and 'scales' to describe them.

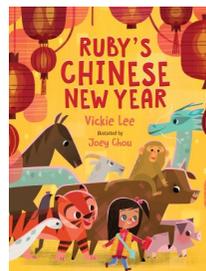

Wellcomm

We will be talking about what different objects are for. What do we use them for and why? What do we use to eat with? What do we use to draw with? What kind of things do we play with?

Phonics

In Phonics we will be going on a listening walk around the school. We will be trying to hear loud and quiet sounds and will think about where the different sounds are coming from.

We will continue to use instruments to make different sounds to accompany the story *We're Going on a Bear Hunt*.

Reading

We will find out about Chinese New Year from stories and information books.

Please continue to read to your child as often as you can.

Don't forget about bedtime stories!

Maths

We will concentrate on counting groups of objects accurately. You can use lots of different things at home to support this. Can you count your teddies? Can you count your shoes? How many red cars can you see?

Theme

Saturday 25th January is Chinese New Year. This year is the Year of the Rat! Next week we will be learning about how and why people celebrate Chinese New Year and even trying some delicious Chinese food.

Diary Dates

- Tuesday 28th January-Take One Picture gallery for parents
- Monday 10th & Wednesday 12th January-Parent Consultations
- Friday 14th-last day of term (normal finish time)
- Monday 24th February-first day of term
