Upcoming events

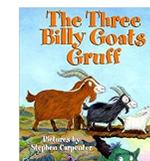

Unfortunately we are having to postpone next week's drumming workshop as we have not received enough payments to cover the cost of the visit. We are now planning for the workshop to take place after Easter to allow more time for everybody to pay.

If you are not able to pay, please let the office know as soon as possible.

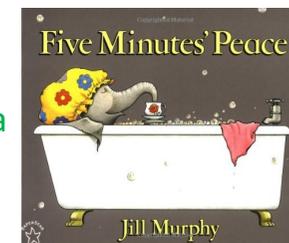

This week

We have had a fantastic week learning all about San Francisco. We looked at the Golden Gate Bridge and had a go at building our own bridges. We used building blocks to build small bridges inside and tyres, pallets, planks of wood and tree stumps to build some amazing bridges outside! We read the story of The Three Billy Goats Gruff. We retold the story together and enjoyed acting out the different roles with the bridges we had built. Our favourite bit of the week was our really fun PE lesson. We used the apparatus to have a go at climbing & balancing then finished off with a game of musical statues, showing off our best dance moves and then finding somewhere to balance when the music stopped!

Next week

We will be spending next week thinking about our lovely Mummies! We will make Mother's Day cards and presents and read a story all about a Mummy who just wants a rest! The children are very excited about bringing you home a little treat at the end of the week.

Home learning

Don't forget to have a go at the home learning that was sent home last week. Have a go at doing some cooking, baking or preparing a meal together at home-you could bring in a recipe, photographs or drawings to show us what you have been up to.

*Many thanks for your continued support
Mrs Hall, Mrs Banks, Mrs Hayward & Mrs Escott*
