Expansion News

Thank you everyone for the support and patience that has been shown during the initial set-up of the building works, especially with the teething problems we've been experiencing. The next phase of the project is to create new fire doors for three of our existing classrooms.

Thank you

Thank you to the PTA for organising such a great Disco for the children on Friday. It takes such a lot of organisation and hard work to make it all happen.

Twitter

Please ensure that you are following your children's class twitter page where learning is shared. The children will be looking at them this week and nagging their teachers to put more on. If you are not following and would like to, please email your child's class teacher with your username.

Parking - please do not park inconsiderately outside of school. Parking on pavements makes it incredibly dangerous for our children.
