Men of the Docks

All of our classes are learning through the picture 'Men of the Docks'. We have copies and prints of the picture in school but there is nothing compared to seeing the picture in the 'flesh'. If you are able to take a trip to the National Gallery in London, please make sure you find this picture. Remember it is free to get into the National Gallery.

The Early Years have used the picture to stimulate an interest in transport. The EY team would like to arrange a 'Transport Day' to expose the children to as many vehicles as possible. If you know someone with a vehicle of interest who would be able to bring the vehicle to school to show the children, please could you contact the EY leader, Mrs Hall, via email Julia@leavesden.education

Many thanks for the support you can offer to help us plan a spectacular days of transport!
