Parking Meeting

Last Monday, four parents attended a meeting to discuss solutions for the dangerous parking outside of school at drop-off and pick-up time. If you are a witness to a vehicle being parked outside of our school dangerously (and in some cases illegally) you can report it. It has been recommended by one parent that you report to www.fixmystreet.com or by googling 'Illegal Parking-Hertfordshire Constabulary' and reporting directly to the police. You can also phone the parking shop on 01908 223508.

Another solution is for the school to purchase A Frames to set up every morning and collection time. This solution requires a lot of parental support and we are hoping to organise a rota of parents to help implement this solution. If you can be available Monday to Friday at any of the following times for approximately fifteen minutes, please contact the school office: 8.15am, 9am, 2.45pm, 3.30pm

NO PARKING

**NOT 5 MINUTES
NOT 30 SECONDS
NOT AT ALL!**

We said a sad farewell to Sharon in the office and Miss Canning from Y4. We wish them every success in the future. Mrs Blyth will be supporting the learning in Octopus Class from Monday.

Coffee Morning

Last Wednesday, four parents attended our first *Coffee Morning for Parents* of the year. These coffee morning sessions are for any parent to attend, no matter who your child or what class they are in. The sessions are informal and are hopefully an opportunity for you to meet other parents as well as ask school-staff questions about life at school. One suggestion from the parents is that we theme the future meetings to hopefully enable you to make a choice to attend something that could be relevant to you. Please keep your eyes open for the up-and-coming themes for the term ahead. The next coffee morning will be focussed on expansion news. Please attend if this is something you would like to know more about.

Parking - please do not park inconsiderately outside of school. Parking on pavements makes it incredibly dangerous for our children.
