PE

Please remember that all children need a PE kit in school. This week only around half of the children had their kits.

The children only need shorts and a t-shirt as we always do our PE lessons inside and in bare feet.

Please make sure all clothes are named so that nothing goes missing when we are getting changed each week.

This week

We have had a brilliant week learning all about Chinese New Year. We have made dragon masks, used our fine motor skills to pick up noodles with chopsticks and had a go at painting Chinese numbers. The favourite activity was definitely trying Chinese food! Noodles,

rice and prawn crackers were all big hits. Some of the children were very disappointed that there weren't any to have again the next day!

Next week

Next week will be our last week on our transport topic. Don't forget to bring in your home learning vehicles on Monday if you have made one. I have been so impressed with the ones I have seen so far!

Our whole school theme after half term is **Around the World in Eighty Days**. We are looking forward to finding out lots about some of the different countries around the world.

We welcomed two new children to our class last week, alongside a new member of staff, Miss O'Brien. I have been so impressed with how welcoming and friendly all of the children have been and how well our new starters have settled in. You should all be very proud of your lovely children!

Many thanks for your continued support
Mrs Hall, Mrs Banks, Mrs Hayward & Mrs Escott
