Dear Parents and Carers

### **Twitter Learning Feeds**

We would like to share the children's daily learning with you via Twitter. Exciting learning experiences take place in the classroom every day and we would like to share them with you through images.

The accounts will only be accessible to parents. The twitter feeds will be one-way and parents will not be able to post comments back. If you would like to follow your child's class's twitter feed, please return the slip below informing us of the twitter account name so that we can accept it as a follower. Please complete one slip for each of your children.

If for any reason you would not like your child to be included in the Twitter feed, please contact the school office.

We hope that you enjoy seeing your child's learning on a daily basis!

Thank you for your continued support.

Yours sincerely

*M Dalton*
